

# HEPP seminar

## summer 2023

Daniel Told  
René Bussiahn  
Max-Planck-Institut für Plasmaphysik

## HEPP seminar – this platform is for you

- share your results and get those of your peers first hand
- train your presentation skills in a ‚safe space‘
- get feedback on your talks
- connect with other PhD students, postdocs and scientists; expand your network
- learn, whats going on at the two IPP sites and at external institutes

## Wishes

- the seminar lives from the exchange among each other, which works best for in person meetings  $\Rightarrow$  come to the seminar rooms
- ask questions
- give feedback

## Expectations

- regular attendance (min 80 % per semester)
- be punctual
- notify us in case of excused absence
  - holidays, conferences, workshops: in advance
  - sick leave: asap

## Presenters

### Introductory talks

- self introduction of the speaker
- general research topic, plan, tools, ...
- 10 min talk + 5 min discussion

### Progress talks

- update on research activities
- introduction on physics + own results, possible issues
- 20 min talk + 10 min discussion

- ask questions
- give feedback via the online survey:  
<https://survey.academiccloud.de/index.php/387435>

## Postponement / cancellation of a talk

- carefully planned semester with tight schedule
  - ⇒ short-term changes are almost impossible
- contingency seminar: foreseen for cases when a whole seminar had to be skipped or presenters got ill
- if changes are wanted/needed:
  - ⇒ get in contact with your peers and try to find someone to step in for you
  - ⇒ notify us at least 2 weeks before the scheduled date

# Study records

- get the form and instruction how to use it from INDICO  
<https://event.ipp-hgw.mpg.de/category/62/>
- send it back until **11.5.23** to
