

# HEPP seminar summer semester 2023

Daniel Told, René Bussiahn

*This work has been carried out within the framework of the EUROfusion Consortium, funded by the European Union via the Euratom Research and Training Programme (Grant Agreement No 101052200 — EUROfusion). Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Commission. Neither the European Union nor the European Commission can be held responsible for them.*

# HEPP seminar – this is for you

- platform to share your results and to get those of your peers from first hand
- a ‚safe space‘ to train your presentation skills
- feedback on your talks
- networking with other PhD students, postdocs and scientists
- learn whats going on at the two IPP sites and at external institutes

# HEPP seminar – our wishes and expectations

## Wishes

- the seminar lives from the exchange among each other, which works best for in person meetings:
  - come to the seminar rooms
- ask questions, give feedback

## Expectations

- regular attendance (min 80% per semester)
- be on time
- notify us in case of excused absence
  - holidays, conferences, workshops: in advance
  - sick leave: asap

# Seminar presentations

## Presenters:

### Introductory talks

- self introduction of the speaker
- general research topic, plan, tools, ...
- 10 min talk + 5 min discussion

### Progress talks

- update on research activities
- introduction on physics + own results, possible issues
- 20 min talk + 10 min discussion

## Audience:

- ask questions
- give feedback
  - introductory talks: short, general
  - progress talks: detailed
  - online survey:

<https://survey.academiccloud.de/index.php/387435>

# HEPP seminar – general information

**HEPP seminar = in-person-meeting**

## **Seminar rooms**

GAR: D2 Lecture Hall or Seminar room L6 (acc. to our weekly announcements)

HGW: Seminar room 2

**Zoom link** (in case of good reasons not to participate in-person)

<https://eu01web.zoom.us/j/68036222558?pwd=QU52MkhISjNCOWtZZGE2aUhDYU40dz09>

# Study records

## All non TUM-registered PdD students:

We need your study records of the last semester (WS 22/23)

Form download:

[https://max.mpg.de/sites/ipp/Struktur/HEPP/Documents/HEPP\\_study\\_record\\_2022.pdf](https://max.mpg.de/sites/ipp/Struktur/HEPP/Documents/HEPP_study_record_2022.pdf)

deadline:

11.05.2023
