

Welcome to the WS on “W7-X OP2.1 Results”

Scope:

Before going into the scientific planning for OP 2.2, the main results, scientific issues, open questions etc. should be summarized and discussed.

Organizational aspects:

1. Zoom connection (https://event.ipp-hgw.mpg.de/e/WS_OP21_results), remains the same for both days.
2. The Agenda is organized along TF objectives/deliverables.
3. Time for discussions is allocated after each objective – please only ask immediate questions after talks .
4. Since the agenda is packed, please try to stay on time.
5. Speakers are kindly asked to upload presentation to Indico (via TFL if access issues).
